Have you \_\_\_\_\_ signed up for City Car?

No. What is City \_\_\_\_\_?

It is a car \_\_\_\_\_ service. You can rent cars  
from them.

Why wouldn't I just rent from a regular car  
\_\_\_\_\_ company?

They also allow you to rent for very \_\_\_\_\_  
periods of time and are based all over the city.

You mean I could \_\_\_\_\_ their cars to go grocery  
shopping?

Exactly. It's called car sharing. That way less people  
need to have their \_\_\_\_\_ cars.

I've \_\_\_\_\_ of that before. It's kind of like Airbnb, right?

Yes. Just with cars instead of \_\_\_\_\_.

I \_\_\_\_\_ this idea of a shared economy. I have many things I barely ever use.

Me too. If we share things, we can \_\_\_\_\_ money and resources.
