Solutions: Did you hear? There was an oil spill last week from the new pipeline. / Again? I think companies have to do better to protect the environment / I agree. Many pollute the nature around them. / They should not be allowed to pollute the environment. / I don't understand why they can get away with it. / Me neither. They should be responsible for every part of production. / They make a profit while polluting the environment, and the taxpayer has to clean it up. / It makes me sad that all they care about is money. / Me too. All the animals, plants, and even humans will suffer from this oil spill. / But what can we do? / We have to let the company and the government know that we are not happy! / Good idea. I will try to organize a local talk.
