

**Complete the dialogue**

Fill in the blanks by listening to the audio file (see link/QR code below the dialogue).

What do you think about \_\_\_\_\_ in grocery stores?

What do you \_\_\_\_\_?

Most \_\_\_\_\_ and vegetables are covered in plastic at the store.

I dislike that as well. I don't think bananas need an \_\_\_\_\_ plastic wrapper.

Why do the \_\_\_\_\_ do that?

Maybe to make the long transport \_\_\_\_\_?

They should just use \_\_\_\_\_.

Wrapping everything in paper wouldn't be much \_\_\_\_\_ either.

\_\_\_\_\_? Isn't paper better?

Because producing paper also creates a lot of \_\_\_\_\_ and pollution.

We should just go to our \_\_\_\_\_ market. The produce there isn't wrapped in plastic or paper.

Great idea. We would also \_\_\_\_\_ our local farmers!
