## Complete the dialogue

Fill in the blanks by listening to the audio file (see link/QR code below the dialogue).

I'm installing some \_\_\_\_\_ panels on my roof this week.

Really? I've been thinking about doing that too to cut down on my electricity \_\_\_\_\_.

That's one reason why I'm doing it. I also don't want to use electricity from coal or \_\_\_\_\_ power plants anymore.

But what are you going to do at \_\_\_\_\_?

I'm still connected to the \_\_\_\_\_. But I'll try to let things like the washing machine or the dryer run during the day with solar electricity.

Good idea. Are the panels \_\_\_\_\_

They aren't cheap, but electricity is so expensive that they will \_\_\_\_\_\_ themselves off in a couple of years.

| The city is also building a couple of mills in | 5 |
|--|---|
| the hills.                                     | ſ |

I'm glad they are finally living up to their

\_\_\_\_\_ and are investing in renewable

energies.

Me too. \_\_\_\_\_ and coal are eventually going to run out. We can't just ignore it and leave it to future generations.

I see we are on the same \_\_\_\_\_ with this topic. It was fun talking to you.

Solutions: I'm installing some **solar** panels on my roof this week. / Really? I've been thinking about doing that too to cut down on my electricity **bill**. / That's one reason why I'm doing it. I also don't want to use electricity from coal or **nuclear** power plants anymore. / But what are you going to do at **night**? / I'm atill connected to the **grid**. But I'll try to let things like the washing machine or the dryer run during the day with solar electricity. / Good idea. Are the panels **expensive**? / They aren't cheap, but electricity is so expensive that they will **pay** themselves off in a couple of years. / The city is also building a couple of **wind** mills in the hills. / I'm glad they are finally living up to their **promises** and are investing in renewable energies. / Me too. **Oil** and coal are eventually going to run out. We can't just ignore it and leave it to future generations. / I see we are on the same **page** with this topic. It was fun to run out. We can't just ignore it and leave it to future generations. / I see we are on the same **page** with this topic. It was fun to run out. We can't just ignore it and leave it to future generations. / I see we are on the same **page** with this topic. It was fun to run out. We can't just ignore it and leave it to future generations. / I see we are on the same **page** with this topic. It was fun to run out. We can't just ignore it and leave it to future generations. / I see we are on the same **page** with this topic. It was fun to run out. We can't just ignore it and leave it to future generations. / I see we are on the same **page** with this topic. It was fun to run out. We can't just ignore it and leave it to future generations. / I see we are on the same **page** with this topic. It was fun to run out. We can't just ignore it and leave it to future generations. / I see we are on the same **page** with this topic. It was fun to run out.
