These shirts, they will have to change something.  
I don't have that much money either. / I know you don't. But we need to support better companies. / You're right. If nobody buys that is why I think it's unfair. Because you want to save money, other people suffer. / You're right. I never thought about it like that. But decent wage, people could actually improve their lives. / But then our clothing would cost more here. I don't want to pay more. / And example, the clothing industries in Asia. / But they provide jobs and income to the people there. / That's true, but if they would pay a decent wage, people could actually improve their lives. / But then our clothing would cost more here. I don't want to pay more. / They produce products under bad working conditions and don't pay much. / What kind of work? Can you give an example? / For example, the clothing industries in Asia. / But they provide jobs and income to the people there. / That's true, but if they would pay a decent wage, people could actually improve their lives. / But then our clothing would cost more here. I don't want to pay more. / Lösungen: I think it's unfair how companies take advantage of the countries in the global south. / How do they take advantage? /
