my voice of reason. I'll have to make a bigger effort.
cotton bags with me every time I go shopping. / I just bring a big box. It's much easier to carry my groceries anyway. / You are like
don't. That's why they ban on plastic bags is great. It makes people think. / You do have a point. I guess I'm just too lazy to bring my
lot of energy. And plastic can't be infinitely recycled like glass. / I don't know. I haven't really thought about it that way. / Many people
so what? As long as they get recycled, then I don't see the problem. / But they don't always get recycled, and even if they do, it uses a
matter. They get recycled. / If everybody uses just a couple of bags a week, then that makes more than a hundred bags a year. / But
but they also create a lot of pollution when they are produced, as well as a lot of trash. / I don't think a plastic bag or two really
Lösungen: I'm really happy that many countries ban the use of plastic bags. / Why? They are so convenient. / They are convenient,
