Lösungen: Have you heard that some cities are sinking? / What do you mean with sinking? / Cities like Jakarta in Indonesia are sinking up to 15cm a year. / What? That is crazy! Why are they sinking? / It's because the city is pumping up too much of the ground water. / That sounds really bad. / Yes, it is. They are really struggling with too many people in such a small area. / I guess people need to be more careful with water. / Yes, it's really important to conserve water. / You're right. Everybody needs water. But we use too much and pollute it. / We should all pay more attention to saving water!
