Solutions: Do you want to come to the next Fridays for Future demonstration with me? / I thought they are only for school children? / No, they are open to everyone who cares about climate change. / I'm still not convinced. I mean what are they actually protesting? / For their own future. They want politicians to be more active and actually stand by their word. / I guess you're right. Many promises from the Paris Climate Agreement have not been kept. / Exactly. They need a reminder that empty words won't satisfy us anymore. / Okay, you've convinced me. I'll join you. Have you been before? / Yes, a couple of times. It's always a peaceful demonstration and the posters are really creative. / Are you going to make a sign as well? / I already have one with a polar bear on it. If you want, I can make you one too? / Thanks for the offer, but I think I'll go without a sign for my first demonstration.
