Solutions: First of all, I would like to express my dislike of this discussion. I don't like talking about it. / I agree with you, but it needs to be addressed and we need to talk about it now. / From my point of view, it's very disrespectful how they are acting. / You know I share your point of view. They are disrespectful, but it's not that easy. / I think they do it on purpose just to annoy me. / I don't think that's quite right. They don't want to annoy you on purpose. They just don't have the same point of view as you. / I suppose that could be true. But they keep making a lot of noise late at night, and I need to sleep. / In order to solve this problem you should make an effort and explain your situation. Maybe they don't know that you are working early? / I don't think explaining it will change anything, but I guess I could try. / You can do it! You're good at making a point. / I'll take your word for it!
