Solutions: I only buy organic food. / Do you think organic is better than regular food? / Yes. Less pesticides are used to produce it. / But it is very expensive. / I think it is worth it to spend more money for high quality food. / But is organic food really higher quality? / Organic farming is also better for biodiversity and ground water. / I guess some things are better, but it still doesn't change the quality. / I just don't want to eat food that has been treated with regular pesticides. / I understand your point. There is a lot of uncertainty around food production right now. / Exactly. And until we know more about chemical pesticides and fertilizers, I will trust organic food. / I guess it won't hurt to buy organic if you can afford it.
