Hey Sarah. Do you want to play the new "Datacraft" with me?

I didn't know you were into online gaming, David?

I don't play much usually, but every once in a while there is a game that interests me.

That's cool! I've been wanting to play Datacraft too.

Have you tried it already? I just got it yesterday.

I bought it already but haven't played. Once I start playing, I can't stop, so I was going to wait until the weekend.

That's a good idea. Want to come over on Friday?

Sure, Friday works.

I have some more friends who play, I think. Should I invite them too?

If your internet connection can handle it?

Internet shouldn't be a problem.

Then let's do it. See you on Friday.
