

Have you already signed up for City Car?

No. What is City Car?

It is a car sharing service. You can rent cars from them.

Why wouldn't I just rent from a regular car rental company?

They also allow you to rent for very short periods of time and are based all over the city.

You mean I could use their cars to go grocery shopping?

Exactly. It's called car sharing. That way less people need to have their own cars.

I've heard of that before. It's kind of like Airbnb, right?

Yes. Just with cars instead of rooms.

I like this idea of a share economy. I have many things I barely ever use.

Me too. If we share things, we can save money and resources.
