

Do you want to sign for the bees?

Sign for the bees?

The honey bee population is dying really fast right now.

That doesn't sound good. Why is that?

Scientists are not sure yet. Some think because of pesticides.

I love honey. I don't want the bees to die.

It would be very bad for biodiversity. Our ecosystem needs the bees.

Why do we need bees? What else do they do other than make honey?

They pollinate fruit and vegetables.

I forgot about that. Without them there would be much less produce, right?

Some fruits would not grow at all without bees.

I couldn't eat cherries anymore? Where do I sign?
