

Do you want to come to the next Fridays for Future demonstration with me?

I thought they are only for school children?

No, they are open to everyone who cares about climate change.

I'm still not convinced. I mean what are they actually protesting?

For their own future. They want politicians to be more active and actually stand by their word.

I guess you're right. Many promises from the Paris Climate Agreement have not been kept.

Exactly. They need a reminder that empty words won't satisfy us anymore.

Okay, you've convinced me. I'll join you. Have you been before?

Yes, a couple of times. It's always a peaceful demonstration and the posters are really creative.

Are you going to make a sign as well?

I already have one with a polar bear on it. If you want, I can make you one too?

Thanks for the offer, but I think I'll go without a sign for my first demonstration.
