Do you play a musical instrument?

No. I used to play the guitar when I was younger, but I haven't touched one in years.

Why did you stop? Did you take lessons?

I had lessons for a little while, but never really enjoyed them.

Lessons can get boring. You should start again and play with me!

Now that we are talking about playing instruments, I wonder how it would be to pick my guitar up again. What do you play?

I just started playing the piano but just by myself with a book and without lessons.

How do you like it?

It's great, but lots of work. I need more practice.

You're right. Maybe we should play together, and I can help you practice.

Sounds great! We can be our own little band.
