## **REAL-LIFE CONVERSATIONS**

The Time

What time is it? I don't want to be late for dinner.

It's six pm.

That's good. Dinner is at seven o'clock.

What time are your friends arriving?

They said they will be here at half past six.

They are always early. We should get ready then.

Yes, they are never late and we, on the other hand, usually are.

Tonight we will be ready in time!
