

## Fashion

The clothing we wear can say a lot about us. Everyone has a unique sense of style regardless of whether they pay attention to fashion trends or not. Our choice of clothing can show our interests, cultural background, or profession. Because of this, discussing fashion is a great way to get to know more about someone.

Here we will introduce you to phrases and questions that you can use to talk about fashion with others. Use them to start conversations or to compliment someone's style. Let's get started!

### What are some useful German idioms used to talk about fashion?

Here are two German idioms that you can use when discussing fashion:

Sie haben sich auf jeden Fall todschick gemacht. *(They're certainly dressed to kill.)*

Er ist definitiv darauf aus, Eindruck zu machen. *(He's definitely dressed to impress.)*

These are idioms that can be used to describe someone who is dressed very nicely. For example, you might use them in a formal setting to describe someone wearing a suit or dress.

()

This last idiom can be used whenever you want to say that you would never wear something. The example above really means: Ich würde dieses Hemd niemals tragen. *(I would never wear that shirt.)*
