### **I'm hoping to rent a mid-sized van**

You can request a specific kind of rental car by using the sentence pattern I'm hoping to rent + CAR. There are lots of ways a car dealer could respond to your request. It really depends on whether they have the kind of car you're looking for. A possible response to our example request is We have a couple of vans to choose from in the lot.

### **Can I get a car with automatic transmission?**

The majority of vehicles in the United States have automatic transmission instead of manual transmission. This means that the car automatically changes gears for you. At most car rental stores it's possible to select which type of transmission you'd like. You'll simply have to ask your salesperson. Otherwise they will probably just assume you want a car with automatic transmission.
