

Talking About pets

I have a cat and a dog.

My cat is a longhair.

I have had my bird since I was a teenager.

My ferret is about four years old.

My dog and rabbit don't really get along with each other.

I'd really like to get a bearded dragon.

I'm more of a cat person than a dog person.

Lizards are my favorite kind of pet.

I don't have any allergies, but my sister is allergic to dog hair.

I've adopted all of my pets from shelters.

My dog likes to go on hikes with me.
